

The Honorable Major General Warren who after devoting his Time & Talents for many Years to his Country, gloriously fell in defending her Rights and Liberty in the well fought Battle of Bunker Hill he left four Orphan Children - Minors two Sons and two Daughters - who from his Attention to the great and Common Cause of these States, were left unprovided for and who on his Death found themselves without Parents or the means of Support.

The Honorable Congress have resolved to be at the Expence of the Education of the Elder Son, the other Son and two Daughters remain to this Time without other Assistance than what some generous & Charitable Persons have afforded them. Application has been made to the Assembly of the Massachusetts Bay & in Sep: last to Congress on the Subject, but the Multiplicity of Business and various Cares have hitherto prevented their obtaining any Grant in their favor - in the mean Time the Children of this Patriot and Hero are suffering greatly

greatly on Account of their Education and unless
speedily relieved must suffer irreparably, nothing
more it is presumed need be said on a Subject
which every Patriotic, as well as humane and
generous American must feel sensibly, on recollecting
the Character and Death of their brave Father,
to induce them to contribute generously to
their Relief, and thereby to discharge some part
of what they owe the brave Father of these Orphans
and deserted Youth.

Whatever sum may be subscribed will be
received by the Honorable the President & Council
of the State of Massachusetts Bay in Boston
and under their Direction, will be applied to
the Support and Education of these Children
in such a Manner as is becoming their Birth
and as will tend to render them great & good
Citizens & worthy of the Relation they hold
to their illustrious Ancestors

Philadelphia November 1st 1779

We the Subscribers engage to pay the Sums afixed
to our Names to the Honorable William Paca
Esq: to be transmitted to the President and Council,
aforesaid.
